

AR Open Library

The library will be open every Thursday, from 10am-1pm this summer. Students may come, read books and take AR tests, but books may not be checked out. A parent must accompany the student at all times. K-2nd grade students meeting their grade level goal will enjoy a pizza party at the beginning of the school year! 3rd - 5th grade students meeting their grade level goal will enjoy lawn bowling at the beginning of the school year!

Summer AR points must be earned between June 10th and August 5th. If the library dates are inconvenient, please call the main office at (863) 701-1450 to schedule a time to come to the office and take a test. August 5th is the last day your child can take a summer AR test.
